3. CONCLUSION

The Assessment Area Two Project will be designed in accordance with current governmental regulations and requirements. The Assessment Area Two Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost of the Assessment Area Two Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the Assessment Area Two Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the Assessment Area Two Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the Assessment Area Two Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area Two of the District will receive a special benefit from the Assessment Area Two Project that is at least equal to the costs of the Assessment Area Two Project.

As described above, this report identifies the benefits from the Assessment Area Two Project to the lands within Assessment Area Two. The general public, property owners, and property outside the District will benefit from the provisions of the District's Assessment Area Two Project; however, these are incidental to the District's Assessment Area Two Project, which are designed solely to provide special benefits peculiar to property within Assessment Area Two. Special and peculiar benefits accrue to property within the District and enable properties within its boundaries to be developed.

The Assessment Area Two Project will be owned by the District or other governmental units and such Assessment Area Two Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the Assessment Area Two Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The Assessment Area Two Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the Assessment Area Two Project or the fair market value.

Please note that the Assessment Area Two Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the Assessment Area Two Project, as used herein, refer to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District,

it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (Assessment Area Two) (the "Master Report") was developed to provide a financing plan and a special assessment methodology for the Center Lake Ranch West Community Development District (the "District"), located in the City of St. Cloud, Osceola County, Florida, as related to funding the costs of public infrastructure improvements (the "Capital Improvement Plan" or "Assessment Area Two Project") contemplated to be provided by the District. Please note that the District previously levied bonds on Assessment Area One within the District that comprises 735 residential dwelling units over 234.30 +/- acres. This Master Report addresses the 394 residential dwelling units that are envisioned to be developed over the 102.61 +/- acres ("Assessment Area Two").

1.2 Scope of the Master Report

This Master Report presents the projections for financing the District's Capital Improvement Plan for Assessment Area Two (the "Assessment Area Two Project") as described in the Second Supplemental Engineer's Report (Assessment Area Two) developed by Poulos & Bennett, LLC (the "District Engineer") and dated October 2025 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding a portion of the Assessment Area Two Project.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the Assessment Area Two Project create special and peculiar benefits, different in kind and degree general and incidental benefits to the public at large. However, as discussed within this Master Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area Two within the District. The District's Assessment Area Two Project enables properties within its boundaries to be developed.

There is no doubt that the general public and property owners of property outside the District will benefit from the provision of the Assessment Area Two Project. However, these benefits are only incidental since the Assessment Area Two Project is designed solely

to provide special benefits peculiar to property within Assessment Area Two within the District. Properties outside Assessment Area Two within the District are not directly served by the Assessment Area Two Project and do not depend upon the Assessment Area Two Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The Assessment Area Two Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area Two within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area Two within the District to increase by more than the sum of the financed cost of the individual components of the Assessment Area Two Project. Even though the exact value of the benefits provided by the Assessment Area Two Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Master Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Assessment Area Two Project as determined by the District Engineer.

Section Four discusses the financing program for Assessment Area Two within the District.

Section Five introduces the special assessment methodology for Assessment Area Two within the District.

2.0 Development Program

2.1 Overview

The District will serve the Center Lake Ranch West development, a master planned residential development located in the City of St. Cloud, Osceola County, Florida. The land within the District consists of approximately 385.77 +/- acres and is generally located south of Starline Drive, west of undeveloped lands, north of Harkley Runyan

Road and east of South Narcoossee Road. Assessment Area Two is anticipated to account for 102.61 +/- acres.

2.2 The Development Program

The development of Center Lake Ranch West is anticipated to be conducted by Taylor Morrison of Florida, Inc. or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 1,157 residential dwelling units consisting of townhomes, villas and single-family units developed over a multi-year period in one or more development phases, although unit numbers, land use types and phasing may change throughout the development period. Of the aforementioned residential dwelling units, Assessment Area Two is anticipated to account for 394 residential dwelling units. Table 1 in the *Appendix* illustrates the development plan for Center Lake Ranch West.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 The Assessment Area Two Project

The public infrastructure improvements which are part of the Assessment Area Two Project and are needed to serve the Development are projected to consist of improvements which will serve all of the lands in Assessment Area Two within the District. The District, however, reserves the right to create distinct assessment areas to coincide with the phases of development. The Assessment Area Two Project will consist of Neighborhood Roadways (Pavement & Drainage), Master Roadways (Center Lake Ranch Boulevard & Twelve Oaks Road), Stormwater Improvements (Ponds Only), Utilities (Water, Sewer, Reclaim), Underground Electrical Distribution/ Lighting, Hardscape/ Landscape/ Irrigation, Public Passive Amenities, and Conservation/ Mitigation, the costs of which, along with contingencies and professional services, were estimated by the District Engineer at \$29,040,000.

The public infrastructure improvements that comprise the Assessment Area Two Project will serve and provide benefit to all land uses in Assessment Area Two within the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the Assessment Area Two Project.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within Assessment Area Two within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Master Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the Assessment Area Two Project as described in *Section 3.2* in one financing transaction, the District would have to issue approximately \$40,065,000 in par amount of special assessment bonds (the "Bonds").

Please note that the purpose of this Master Report is to allocate the benefit of the Assessment Area Two Project to the various land uses in Assessment Area Two within the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Assessment Area Two Project. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for Assessment Area Two within the District provides for the issuance of the Bonds in the approximate principal amount of \$40,065,000 to finance approximately

\$29,040,000 in Assessment Area Two Project costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvement and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$40,065,000. The difference is comprised of debt service reserve, capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

Please note that the structure of the Bonds as presented in this Master Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Assessment Area Two Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area Two within the District and general benefits accruing to areas outside Assessment Area Two within the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area Two Project. All properties that receive special benefits from the Assessment Area Two Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Assessment Area Two Project.

5.2 Benefit Allocation

The District's most current development plan envisions the development of 1,157 residential dwelling units consisting of

townhomes, villas and single-family units, although unit numbers and land use types may change throughout the development period. Of the aforementioned residential dwelling units, Assessment Area Two is anticipated to account for 394 residential dwelling units.

The public infrastructure improvements that comprise the Assessment Area Two Project will serve and provide benefit to all land uses in Assessment Area Two within the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

By allowing for the land in Assessment Area Two within the District to be developable, both the public infrastructure improvements that comprise the Assessment Area Two Project and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within Assessment Area Two within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within Assessment Area Two within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Assessment Area Two Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area Two within the District, as without such improvements, the development of the properties within Assessment Area Two within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area Two within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the Assessment Area Two Project of the District is proposed to be allocated to the different unit types within Assessment Area Two within the District in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area Two within the District based on

the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units, such as townhomes, will use and benefit from Assessment Area Two within the District's improvements less than larger units, such as single-family units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. As the exact amount of the benefit is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

Table 5 in the *Appendix* presents the apportionment of the assessment associated with funding the District's Assessment Area Two Project (the "Bond Assessments") in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the projected annual debt service assessments per unit.

Amenities. No Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in Assessment Area Two within the District. If the common elements are owned by the District, then they would be governmental property not subject to the Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Bond Assessments will be assigned to the amenities and common areas.

Government Property. Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Bond Assessments without specific consent thereto. If at any time, any real property on which Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer by way of a mandatory true-up payment without any further action of the District.

5.3 Assigning Debt

The Bond Assessments associated with repayment of the Bonds will initially be levied on all of the gross acres of land in Assessment Area Two within the District. Consequently, the Bond Assessments will initially be levied on approximately 102.61 +/- gross acres on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$40,065,000 will be preliminarily levied on approximately 102.61 +/- gross acres at a rate of \$390,459.02 per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the *Appendix*. Such allocation of Bond Assessments to platted parcels will reduce the amount of Bond Assessments levied on unplatted gross acres within Assessment Area Two within the District.

Transferred Property. In the event unplatted land is sold to a third party (the “Transferred Property”), the Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs (as herein defined) assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Master Report. The owner of the Transferred Property will be responsible for the total Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Bond Assessment is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within Assessment Area Two within the District. The District’s improvements benefit assessable properties within Assessment Area Two within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area Two within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Assessment Area Two Project make the land in Assessment Area Two within the District developable and saleable and when implemented jointly as parts of the Assessment Area Two Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area Two within the District according to reasonable estimates of the special and peculiar benefits derived from the Assessment Area Two Project by different unit types.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 4 in the Appendix ("Development Plan"). At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Bond Assessments) able to be imposed on the “Remaining Unplatted Lands” (i.e., those remaining unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Bond Assessments to the product types being platted and the remaining property in accordance with this Master Report, and cause the Bond Assessments to be recorded in the District’s improvement lien book.

b. If a Proposed Plat results in a greater amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Bond Assessments for all assessed properties within the Property, may allocate additional ERUs/ densities for a future bond financing, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat results in a lower amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a “True-Up Payment” equal to the difference between: (i) the Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Bond Assessments) are able to be imposed on the Remaining Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the

proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Additional Items Regarding Bond Assessment Imposition and Allocation

This Master Report is intended to establish the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein comprising the Capital Improvement Plan. All such liens shall be within the benefit limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

As noted herein, the Capital Improvement Plan functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property or designated assessment area within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

As set forth in any supplemental report, and for any particular bond issuance, the Developer may opt to “buy down” the Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, may require a payment to satisfy “true-up” obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down Bond Assessment will not be eligible for “deferred costs,” if any are provided for in connection with any particular bond issuance.

In the event that the Capital Improvement Plan is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the Bond Assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

1.0 Introduction

1.1 Purpose

This Preliminary Second Supplemental Special Assessment Methodology Report (the "Second Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (Assessment Area Two) (the "AA2 Master Report") dated November 4, 2025 and to provide a supplemental financing plan and a supplemental special assessment methodology for the Center Lake Ranch West Community Development District (the "District") located in the City of St. Cloud, Osceola County, Florida. This Second Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District to support the development of 394 residential units projected to be developed within the District ("Assessment Area Two"). The portion of the Capital Improvement Plan associated with the development of Assessment Area Two is referred to herein as the "Assessment Area Two Project." Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the AA2 Master Report.

1.2 Scope of the Second Supplemental Report

This Second Supplemental Report presents the projections for financing a portion of the Assessment Area Two Project described in the Second Supplemental Engineer's Report (Assessment Area Two) developed by Poulos & Bennett, LLC (the "District Engineer") dated October 2025 (the "Supplemental Engineer's Report") which has been prepared to supplement the Engineer's Report dated June 2023 (collectively the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the Assessment Area Two Project by the District.

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the Assessment Area Two Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within Assessment Area Two as well as general benefits to the public at large. However, as discussed within this Second Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment

Area Two. The District's Assessment Area Two Project enables properties within Assessment Area Two to be developed.

There is no doubt that the general public will benefit from the provision of the Assessment Area Two Project. However, these benefits are only incidental since the Assessment Area Two Project is designed to provide special benefits peculiar to property within Assessment Area Two. Properties outside of Assessment Area Two are not directly served by the Assessment Area Two Project and do not depend upon the Assessment Area Two Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Assessment Area Two properties receive compared to those lying outside of its boundaries.

The Assessment Area Two Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area Two developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area Two to increase by more than the sum of the financed cost of the individual components of the Assessment Area Two Project. Even though the exact value of the benefits provided by the Assessment Area Two Project is hard to estimate at this point, it is without doubt greater than the costs associated with providing same.

1.4 Organization of the Second Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Assessment Area Two Project and the Assessment Area Two Project as determined by the District Engineer.

Section Four discusses the supplemental financing program for Assessment Area Two.

Section Five discusses the supplemental special assessment methodology for Assessment Area Two.

2.0 Development Program

2.1 Overview

The District serves the Center Lake Ranch West development (the "Development" or "Center Lake Ranch West"), a master planned, residential development located in the City of St. Cloud, Osceola County, Florida. The land within the District consists of approximately 385.77 +/- acres and is generally located south of Starline Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road. Assessment Area Two accounts for approximately 102.61 +/- acres within the District.

2.2 The Development Program

The development of Assessment Area Two of the Development is anticipated to be conducted by Taylor Morrison of Florida, Inc. or an affiliated entity (the "Developer"). Based upon the information provided by the Developer, the current development plan for the District envisions a total of 1,157 residential units developed in multiple phases, with Assessment Area Two consisting of a total of 394 residential units, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan within the District.

3.0 The Assessment Area Two Project

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Supplemental Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Assessment Area Two Project

The Assessment Area Two Project needed to serve the District is projected to consist of Neighborhood Roadways (Pavement & Drainage), Master Roadways (Center Lake Ranch Boulevard & Twelve Oaks Road), Stormwater Improvements (Ponds Only), Utilities (Water, Sewer, Reclaim), Underground Electrical Distribution/ Lighting, Hardscape/ Landscape/ Irrigation, Public Passive Amenities, and Conservation/ Mitigation, along with

contingencies and professional fees, all as set forth in more detail in the Engineer's Report.

Even though all of the infrastructure included in the District will comprise an interrelated system of master improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another, according to the Engineer's Report, the public infrastructure improvements are projected to be constructed in two (2) or more construction phases or projects coinciding with the two (2) or more phases of land development. The Assessment Area Two Project consists of that portion of the overall CIP that is necessary for the development of land within Assessment Area Two.

The sum of all public infrastructure improvements as described in the Engineer's Report will comprise an interrelated system of improvements, which means all of the improvements comprising the overall Assessment Area Two Project, once constructed, will serve the entire District, and improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the public infrastructure improvements for the District are estimated at \$88,975,469.00, with the actual costs of the Assessment Area Two Project estimated at \$29,040,000.00. Table 2 in the *Appendix* illustrates the specific components of the public infrastructure improvements and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, the construction of public improvements is either funded by the Developer or other landowners within the District and then acquired by the District or funded directly by the District. In this instance, the District may acquire public infrastructure from the Developer, construct it directly, or a combination of both.

The District intends to issue Capital Improvement Revenue Bonds, Series 2025 (Assessment Area Two) in the estimated principal amount of \$20,380,000* (the "Series 2025 Bonds") to fund an estimated \$18,465,876.53* in Assessment Area Two Project costs, with the balance of the Assessment Area Two Project costs

* Preliminary, subject to change.

anticipated to be contributed by the Developer or a future issuance of bonds.

4.2 Types of Bonds Proposed

The proposed supplemental financing plan for the District provides for the issuance of the Series 2025 Bonds in the total estimated principal amount of \$20,380,000* to finance a portion of the Assessment Area Two Project costs in the total amount estimated at \$18,465,876.53*, representing the amount of construction proceeds generated from the issuance of the Series 2025 Bonds.

The Series 2025 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments following an approximately 6-month capitalized interest period. Interest payments on the Series 2025 Bonds would be made every May 1 and November 1, and annual principal payments on the Series 2025 Bonds would be made on either every May 1 or November 1.

In order to finance a portion of the Assessment Area Two Project, the District would need to borrow funds and incur indebtedness in the total amount estimated at \$20,380,000*. The difference is comprised of funding a debt service reserve, capitalized interest, and paying costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2025 Bonds are presented along with financing assumptions in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2025 Bonds provides the District with funds necessary to construct/acquire a portion of the Assessment Area Two Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Supplemental Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within the boundaries of Assessment Area Two. General benefits accrue to areas outside, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area Two Project. All properties in Assessment Area Two receive benefits from

* Preliminary, subject to change.

the Assessment Area Two Project, which properties will be assessed for their fair share of debt issued in order to finance the Assessment Area Two Project.

5.2 Benefit Allocation

The current development plan for the District envisions a total of 1,157 residential units developed in multiple phases, with Assessment Area Two consisting of a total of 394 residential units, although unit numbers, land uses and product types may change throughout the development period.

The master public infrastructure included in the Assessment Area Two Project will comprise an interrelated system of master improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated in such way that, once constructed, they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the product types within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all product types and all phases within the District and benefit all product types in all phases within the District as an integrated system of improvements.

Even though all of the infrastructure included in the Assessment Area Two Project will comprise an interrelated system of master improvements, the public infrastructure improvements are projected to be constructed in two (2) or more infrastructure construction phases or projects coinciding with the two (2) or more phases of land development. The Assessment Area Two Project consists of that portion of the overall Assessment Area Two Project that is necessary for the development of land within Assessment Area Two.

As stated previously, the public infrastructure improvements included in the Assessment Area Two Project have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is

more valuable than the assessment related to the financed cost of constructing the improvements.

In following the AA2 Master Report, this Second Supplemental Report proposes to allocate the benefit associated with the Assessment Area Two Project to the different unit types proposed to be developed within Assessment Area Two in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area Two based on the densities of development and the intensities of use of infrastructure, total ERU counts for each unit type, and the share of the benefit received by each unit type in accordance with the AA2 Master Report.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the Assessment Area Two Project less than units with larger lot sizes, as, for instance, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. As the exact amount of the benefit is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's Assessment Area Two Project.

Table 5 in the *Appendix* presents the allocation of the amount of Assessment Area Two Project costs allocated to the Assessment Area Two Project to the various unit types proposed to be developed in Assessment Area Two based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2025 Bonds, and the approximate costs of the portion of the Assessment Area Two Project costs allocable to Assessment Area Two to be contributed by the Developer. With the Series 2025 Bonds funding approximately \$18,465,876.53* in costs of the Assessment Area Two Project, the Developer is anticipated to fund improvements valued at an estimated \$10,574,123.47* which will not be funded with proceeds of the Series 2025 Bonds, or any future bond issuances financing the Assessment Area Two Project.

* Preliminary, subject to change.

Finally, Table 6 in the *Appendix* presents the apportionment of the assessment levied in connection with the Series 2025 Bonds (the "Series 2025 Bond Assessments") and also presents the annual levels of the projected annual debt service assessments per unit.

No Series 2025 Bond Assessments are allocated herein to any private amenities or other common areas planned for the Development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly to the benefit of all platted lots in the District. As such, no Series 2025 Bond Assessments will be assigned to the amenities and common areas. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2025 Bond Assessments and would be open to the general public, subject to District rules and policies.

5.3 Assigning Series 2025 Bond Assessments

As the land in Assessment Area Two is only partially platted, the Series 2025 Bond Assessments will be allocated to each platted parcel based on the planned use for that platted parcel as reflected in Table 6 in the Appendix. As a total of ____ residential units have already been platted in Assessment Area Two that will be subject to the Series 2025 Bond Assessments, these platted lots will be allocated an estimated amount of \$____,____,____.____*. Further, as the balance of the land in Assessment Area Two is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2025 Bond Assessments in the estimated amount of \$____,____,____.____* will initially be levied on all of the remaining developable land in the District on an equal pro-rata acre basis and thus \$____,____,____.____* will be preliminarily levied on approximately ____ +/- acres at a rate of \$____,____.____* per acre.

When the remaining land is platted, the Series 2025 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the Appendix. Such allocation of Series 2025 Bond Assessments from unplatted acres to platted parcels will reduce the amounts of Series 2025 Bond Assessments levied on unplatted acres within Assessment Area Two within the District.

* Preliminary, subject to change.

Further, to the extent that any residential land which has not been platted is sold to another developer or builder, the Series 2025 Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amounts of Series 2025 Bond Assessments transferred at sale.

Transferred Property - In the event unplatted land (the “Transferred Property”) is sold to a third party not affiliated with the Developer, the Series 2025 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Second Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2025 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2025 Bond Assessments is fixed to the Transferred Property at the time of the sale. If the Transferred Property is subsequently subdivided into smaller parcels, the total Series 2025 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the Methodology as described herein (i.e. equal assessment per acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District’s improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

Specifically to Assessment Area Two, the improvements which are part of the Assessment Area Two Project make the land in

Assessment Area Two developable and saleable and when implemented jointly as parts of the Assessment Area Two Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various product types from the improvements is delineated in Table 4 (expressed as the ERU factors) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area Two according to reasonable estimates of the special and peculiar benefits derived from the Assessment Area Two Project.

Accordingly, no acre or parcel of property within Assessment Area Two will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 1 in the Appendix ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat within Assessment Area Two results in the same amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" within Assessment Area Two (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan,

then the District shall allocate the Series 2025 Bond Assessments to the product types being platted and the remaining property in accordance with this Second Supplemental Report, and cause the Series 2025 Bond Assessments to be recorded in the District's Improvement Lien Book.

b. If a Proposed Plat within Assessment Area Two has more than the anticipated ERUs (and thus Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands within Assessment Area Two would have to be assigned less ERUs (and thus Series 2025 Bond Assessments) as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2025 Bond Assessments for all assessed properties within Assessment Area Two, may allocate additional ERUs/ densities for a future bond financing, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within Assessment Area Two has fewer than the anticipated ERUs (and thus Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands within Assessment Area Two would have to be assigned more ERUs (and thus Series 2025 Bond Assessments) as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2025 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2025 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2025 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within Assessment Area Two, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for Assessment Area Two, b) the revised, overall development plan showing the number and type of units reasonably planned for Assessment Area Two, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within Assessment Area Two, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised

development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2025 Bond Assessments to pay debt service on the Series 2025 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within Assessment Area Two, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2025 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the Series 2025 Bonds)).

All Series 2025 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within Assessment Area Two, any unallocated Series 2025 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Preliminary Assessment Roll

Based on the per gross acre assessment proposed in Section 5.2, the Series 2025 Bond Assessments in the estimated amount of \$20,380,000* are proposed to be levied uniformly over the area described in Exhibit "A". Excluding any capitalized interest period,

* Preliminary, subject to change.

debt service assessment shall be paid in thirty (30) annual installments of principal and corresponding semi-annual installments of interest for the Series 2025 Bonds.

RESOLUTION 2026-02

[DECLARING RESOLUTION – ASSESSMENT AREA TWO]

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE CENTER LAKE RANCH COMMUNITY DEVELOPMENT DISTRICT DECLARING SPECIAL ASSESSMENTS; DESIGNATING THE NATURE AND LOCATION OF THE PROPOSED IMPROVEMENTS; DECLARING THE TOTAL ESTIMATED COST OF THE IMPROVEMENTS, THE PORTION TO BE PAID BY ASSESSMENTS, AND THE MANNER AND TIMING IN WHICH THE ASSESSMENTS ARE TO BE PAID; DESIGNATING THE LANDS UPON WHICH THE ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT AND A PRELIMINARY ASSESSMENT ROLL; ADDRESSING THE SETTING OF PUBLIC HEARINGS; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; AND ADDRESSING CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Center Lake Ranch Community Development District (“**District**”) is a local unit of special-purpose government organized and existing under and pursuant to Chapter 190, *Florida Statutes*; and

WHEREAS, the District is authorized by Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct roadways, sewer and water distribution systems, stormwater management/earthwork improvements, landscape, irrigation and entry features, conservation and mitigation, street lighting and other infrastructure projects, and services necessitated by the development of, and serving lands within, the District; and

WHEREAS, the District hereby determines to undertake, install, plan, establish, construct or reconstruct, enlarge or extend, equip, acquire, operate, and/or maintain the portion of the infrastructure improvements comprising the District’s overall capital improvement plan as described in the *Engineer’s Report (Assessment Area Two)* (“**Project**”), which is attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, it is in the best interest of the District to pay for all or a portion of the cost of the Project by the levy of special assessments (“**Assessments**”) using the methodology set forth in that *Master Special Assessment Methodology Report for Assessment Area Two*, which is attached hereto as **Exhibit B**, incorporated herein by reference, and on file with the District Manager at c/o Wrathell, Hunt & Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District Records Office**”);

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CENTER LAKE RANCH COMMUNITY DEVELOPMENT DISTRICT:

1. **AUTHORITY FOR THIS RESOLUTION; INCORPORATION OF RECITALS.** This Resolution is adopted pursuant to the provisions of Florida law, including without limitation Chapters 170, 190 and 197, *Florida Statutes*. The recitals stated above are incorporated herein and are adopted by the Board as true and correct statements.

2. **DECLARATION OF ASSESSMENTS.** The Board hereby declares that it has determined to undertake the Project and to defray all or a portion of the cost thereof by the Assessments.

3. **DESIGNATING THE NATURE AND LOCATION OF IMPROVEMENTS.** The nature and general location of and plans and specifications for the Project are described in **Exhibit A**, which is on file at the District Records Office. **Exhibit B** is also on file and available for public inspection at the same location.

4. **DECLARING THE TOTAL ESTIMATED COST OF THE IMPROVEMENTS, THE PORTION TO BE PAID BY ASSESSMENTS, AND THE MANNER AND TIMING IN WHICH THE ASSESSMENTS ARE TO BE PAID.**

- A. The total estimated cost of the Project is \$_____ (“**Estimated Cost**”).
- B. The Assessments will defray approximately \$_____, which is the anticipated maximum par value of any bonds and which includes all or a portion of the Estimated Cost, as well as other financing-related costs, as set forth in **Exhibit B**, and which is in addition to interest and collection costs. On an annual basis, the Assessments will defray no more than \$_____ per year, again as set forth in **Exhibit B**.
- C. The manner in which the Assessments shall be apportioned and paid is set forth in **Exhibit B**, as may be modified by supplemental assessment resolutions. The Assessments will constitute a “master” lien, which may be imposed without further public hearing in Two or more separate liens each securing a series of bonds, and each as determined by supplemental assessment resolution. With respect to each lien securing a series of bonds, the special assessments shall be paid in not more than (30) thirty yearly installments. The special assessments may be payable at the same time and in the same manner as are ad-valorem taxes and collected pursuant to Chapter 197, *Florida Statutes*; provided, however, that in the event the uniform non ad-valorem assessment method of collecting the Assessments is not available to the District in any year, or if determined by the District to be in its best interest, the Assessments may be collected as is otherwise permitted by law, including but not limited to by direct bill. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be

used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **DESIGNATING THE LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED.** The Assessments securing the Project shall be levied on the lands within the District, as described in **Exhibit B**, and as further designated by the assessment plat hereinafter provided for.

6. **ASSESSMENT PLAT.** Pursuant to Section 170.04, *Florida Statutes*, there is on file, at the District Records Office, an assessment plat showing the area to be assessed with certain plans and specifications describing the Project and the estimated cost of the Project, all of which shall be open to inspection by the public.

7. **PRELIMINARY ASSESSMENT ROLL.** Pursuant to Section 170.06, *Florida Statutes*, the District Manager has caused to be made a preliminary assessment roll, in accordance with the method of assessment described in **Exhibit B** hereto, which shows the lots and lands assessed, the amount of benefit to and the assessment against each lot or parcel of land and the number of annual installments into which the assessment may be divided, which assessment roll is hereby adopted and approved as the District's preliminary assessment roll.

8. **PUBLIC HEARINGS DECLARED; DIRECTION TO PROVIDE NOTICE OF THE HEARINGS.** Pursuant to Sections 170.07 and 197.3632(4)(b), *Florida Statutes*, among other provisions of Florida law, there are hereby declared two public hearings to be held as follows:

PUBLIC HEARINGS AND MEETING

DATE:	_____, 2025
TIME:	1:30 p.m.

WHEREAS, the Board of Supervisors of Center Lake Ranch West Community Development District (the "Board" and the "District," respectively) has determined to

proceed at this time with the sale and issuance of Center Lake Ranch West Community Development District Capital Improvement Revenue Bonds, Series 2025 (Assessment Area Two) (the "Series 2025 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of December 1, 2023 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Fort Lauderdale, Florida, as trustee (the "Trustee"), as supplemented by a Second Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2025 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Assessment Area Two Project;

WHEREAS, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2025 Bonds, it is necessary and desirable for the Series 2025 Bonds to be sold by negotiated sale rather than competitive bid;

WHEREAS, the Board has received a proposal from FMSbonds, Inc. (the "Underwriter") for the purchase of the Series 2025 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Contract (the "Purchase Contract") in substantially the form attached hereto as Exhibit A for the sale of the Series 2025 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

WHEREAS, in conjunction with the sale and issuance of the Series 2025 Bonds, it is necessary to approve the form of the Supplemental Indenture, to establish the parameters for the delegated award of the Series 2025 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2025 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2025 Bonds and to provide for various other matters with respect to the Series 2025 Bonds and the undertaking of the Assessment Area Two Project.

NOW, THEREFORE, BE IT RESOLVED that:

1. Definitions. All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

2. Award. The Purchase Contract in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2025 Bonds to the Underwriter upon the terms and conditions therein set forth, but within the

Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Contract on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Contract, which approval shall be conclusively evidenced by the execution and delivery thereof. In the absence or unavailability of the Chairman, the Vice Chairman is authorized and directed to execute the Purchase Contract, and in the absence or unavailability of the Vice Chairman, any other member of the Board is authorized and directed to execute the Purchase Contract. The Purchase Contract, when executed and delivered by the District and the Underwriter, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

3. Negotiated Sale. The Board hereby determines that a negotiated sale of the Series 2025 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2025 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2025 Bonds.

4. Approval of Form of Supplemental Indenture; Ratification of Master Indenture; Appointment of Trustee, Paying Agent and Bond Registrar. Attached hereto as Exhibit B is the form of Supplemental Indenture, which is hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Supplemental Indenture which, when executed and delivered by the Trustee, shall constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms. The Master Indenture as executed and delivered and the appointment of U.S. Bank Trust Company, National Association, as Trustee, Paying Agent and Bond Registrar under the Master Indenture is hereby ratified and confirmed and U.S. Bank Trust Company, National Association is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Supplemental Indenture.

5. Description of Series 2025 Bonds. The Series 2025 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Contract and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2025 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Contract and in the form of Series 2025 Bonds attached to the Supplemental Indenture, which form is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The series designation 2025 may be changed to 2026 if the Series 2025 Bonds

are delivered in calendar year 2026. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2025 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2025 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement. The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Contract (the "Limited Offering Memorandum") relating to the Series 2025 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve (such approval to be conclusively evidenced by the execution of the Limited Offering Memorandum), and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2025 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (except for information concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman).

The Continuing Disclosure Agreement relating to the Series 2025 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

7. Open Meetings. It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2025 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the

public, in compliance with all legal requirements including, but not limited to, the requirements of Section 286.011, Florida Statutes.

The Chairman, the Secretary, and all other members, officers and employees of the Board and the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2025 Bonds and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, the Indenture, this Resolution, the Continuing Disclosure Agreement and the Purchase Contract, in all cases within the Parameters.

The Vice Chairman is hereby authorized to act in the stead of the Chairman in any undertaking authorized or required of the Chairman hereunder and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

9. Deposits to Funds and Accounts. The Trustee is hereby authorized and directed to apply the proceeds of the Series 2025 Bonds in the amounts and in the manner set forth in Section 402 of the Supplemental Indenture.

10. Undertaking of the Assessment Area Two Project; Execution and Delivery of Other Instruments. The Board hereby authorizes the undertaking of the Assessment Area Two Project and authorizes and directs the District staff and Consulting Engineer to proceed with due diligence to the completion thereof in accordance with the Indenture and as described in the Limited Offering Memorandum. The Board hereby authorizes the Chairman and the Secretary to execute and deliver, receive or enter into such agreements, contracts, documents, instruments, certificates and proceedings incident thereto or necessary in order to effect the undertaking of the Assessment Area Two Project and the issuance, sale and delivery of the Series 2025 Bonds, including but not limited to the execution and delivery of the DTC Letter of Representation.

11. Assessment Methodology; Engineer's Report. The Board hereby authorizes and approves modifications and supplements to the Assessment Methodology previously approved by the Board in connection with the marketing and sale of the Series 2025 Bonds. The Board hereby authorizes and approves modifications and supplements to the Engineer's Report previously approved by the Board in connection with the marketing and sale of the Series 2025 Bonds.

12. Approval of Prior Actions. All actions taken to date by the members of the Board and the officers, agents and consultants of the District in furtherance of the issuance of the Series 2025 Bonds are hereby approved, confirmed and ratified.

13. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Board of Supervisors
Center Lake Ranch West Community Development District
City of St. Cloud, Florida

Dear Board Members:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Center Lake Ranch West Community Development District (the "District"). The District is located within the City of St. Cloud, Florida (the "City") in Osceola County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 4:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statement attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[_____] aggregate principal amount of Center Lake Ranch West Community Development District Capital Improvement Revenue Bonds, Series 2025 (Assessment Area Two) (the "Series 2025 Bonds"). The Series 2025 Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Series 2025 Bonds shall be \$[_____] (representing the \$[_____] .00 aggregate principal amount of the Series 2025 Bonds, [plus/less net original issue premium/discount of \$[_____] and] less an underwriter's discount of \$[_____]) (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

2. The Series 2025 Bonds. The Series 2025 Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to

the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), and established by Ordinance 2022-18 of the City Council of the City adopted on August 11, 2022 (the "Ordinance"). The Series 2025 Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of December 1, 2023 (the "Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of December 1, 2025 (the "Second Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution Nos. 2023-25 and 2026-[] adopted by the Board on October 28, 2022 and November 4, 2025, respectively (collectively, the "Bond Resolution"). The Series 2025 Assessments, the revenues of which comprise the Series 2025 Pledged Revenues for the Series 2025 Bonds, have been levied by the District on those lands within the District specially benefited by the Assessment Area Two Project pursuant to certain resolutions adopted or to be adopted by the Board prior to the issuance of the Series 2025 Bonds (collectively, the "Assessment Resolution").

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2025 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2025 Bonds, that the entire principal amount of the Series 2025 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2025 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2025 Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2025 Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2025 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2025 Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2025 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Series 2025 Bonds of that maturity or until all Series 2025 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2025 Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B

attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Series 2025 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2025 Bonds, the Underwriter will neither offer nor sell unsold Series 2025 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2025 Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2025 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Series 2025 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [____], 2025 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized

by the District for use with respect to the Series 2025 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum"), relating to the Series 2025 Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2025 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Series 2025 Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [____], 2025 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2025 Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, among the District, Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), and the dissemination agent named therein (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX D thereto (the "Disclosure Agreement"), and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the "Financing Documents," and (b) [the Completion Agreement (2025 Bonds/Assessment Area Two) between the District and the Developer dated as of the Closing Date, , the Acquisition Agreement between the District and the Developer dated August 28, 2023, the Collateral Assignment Agreement (2025 Bonds/Assessment Area Two) by and between the District and the Developer dated as of the Closing Date, the True-Up Agreement (2025 Bonds/Assessment Area Two) between the District and the Developer dated as of the Closing Date and in recordable form, and the Declaration of Consent (2025 Bonds/Assessment Area Two) by the Developer and dated as of the Closing Date and in recordable form (the "Declaration of Consent")], are collectively referred to herein as the "Ancillary Agreements."]

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District, and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including without limitation the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolution; (ii) enter into the Financing Documents and Ancillary Agreements to which it is a party; (iii) sell, issue and deliver the Series 2025

Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Series 2025 Bonds for the purposes described in the Limited Offering Memoranda; (v) acknowledge and authorize the use of the Preliminary Limited Offering Memorandum and the use and execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memoranda, including without limitation entering into a Property Appraiser and Tax Collector Agreement to provide for the collection of the Series 2025 Assessments using the Uniform Method of collection in accordance with the Indenture. The District has complied, or on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2025 Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolution, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements to which it is a party, the Series 2025 Bonds and the Limited Offering Memorandum, and has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2025 Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Preliminary Limited Offering Memorandum in connection with the issuance of the Series 2025 Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto) the Financing Documents and the Ancillary Agreements to which it is a party will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or

the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2025 Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolution, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision or law or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, use or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolution, the Series 2025 Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2025 Bonds, the Ancillary Agreements to which it is a party or the Financing Documents;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District of its obligations to issue the Series 2025 Bonds, or under the Series 2025 Bonds, the Bond Resolution, the Assessment Resolution, the Ancillary Agreements to which it is a party or the Financing Documents, have been duly obtained or will be obtained in the ordinary course of business, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2025 Bonds;

(f) The descriptions of the Series 2025 Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Assessment Area Two Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Series 2025 Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Assessment Area Two Project, respectively;

(g) The Series 2025 Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Series 2025 Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Series 2025 Bonds, a legally valid and binding pledge of the Series 2025 Trust Estate. On the Closing Date, all conditions precedent to the issuance of the Series 2025 Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2025 Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Series 2025 Assessments or the pledge of the Series 2025 Trust Estate, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2025 Bonds, or the authorization of the Assessment Area Two Project, the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements to which it is a party or the application of the proceeds of the Series 2025 Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Series 2025 Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2025 Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2025 Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2025 Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than Permitted Omissions) and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering

Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memorandum under the captions "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer," and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolution, the Series 2025 Bonds, the Financing Documents or Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) The District represents and warrants that it has not failed to timely comply with any continuing disclosure obligations with respect to any prior offering of securities except as expressly set forth in the Preliminary Limited Offering Memorandum;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2025 Bonds), notes or other obligations payable from the Series 2025 Trust Estate.

7. **Closing.** At 10:00 a.m. prevailing time on [_____], 2025 (the "Closing Date") or at such later time as may be mutually agreed upon by the District and the Underwriter, the District will deliver or cause to be delivered to the Underwriter the Series 2025 Bonds in definitive book-entry-only form, duly executed and authenticated, together with the other documents hereinafter mentioned, and, subject to the terms and conditions hereof, the Underwriter will accept such delivery and pay the purchase price of the Series 2025 Bonds as set forth in Section 1 hereof, in federal or other immediately available funds to the order of the District. Re: \$[_____] Center Lake Ranch West Community Development District Capital
Improvement Revenue Bonds, Series 2025 (Assessment Area Two)

Dear Board Members:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the above-referenced bonds (the "Series 2025 Bonds"), FMSbonds, Inc. (the "Underwriter"), having purchased the Series 2025 Bonds pursuant to a Bond Purchase Contract dated [____], 2025 (the "Bond Purchase Contract"), between the Underwriter and Center Lake Ranch West Community Development District (the "District"), furnishes the following information in connection with the limited offering and sale of the Series 2025 Bonds:

1. The total underwriting discount to be paid to the Underwriter pursuant to the Bond Purchase Contract is approximately \$[____] per \$1,000.00 or \$[_____].
2. There are no "finders" as such term is used in Sections 218.385 and 218.386, Florida Statutes, in connection with the issuance of the Series 2025 Bonds.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Series 2025 Bonds are set forth in Schedule I attached hereto.
4. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Series 2025 Bonds to any person not regularly employed or retained by the Underwriter is as follows: None. GrayRobinson, P.A. has been retained as counsel to the Underwriter and will be compensated by the District.
5. Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Series 2025 Bonds.

The District is proposing to issue \$[_____] aggregate amount of the Series 2025 Bonds for the purpose of providing moneys to: (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area Two Project, (ii) pay certain costs associated with the issuance of the Series 2025 Bonds, (iii) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (iv) pay a portion of the interest to become due on the Series 2025 Bonds. This debt or obligation is expected to be repaid over a period of approximately [_____] () years, [_____] ()

months, and [] () days. There shall be no more than thirty (30) principal installments. At a net interest cost of approximately []% for the Series 2025 Bonds, total interest paid over the life of the Series 2025 Bonds will be \$[].

The source of repayment for the Series 2025 Bonds is the Series 2025 Assessments imposed and collected by the District. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Series 2025 Bonds will result in approximately \$[] (representing the average annual debt service on the Series 2025 Bonds) of the District's special assessment revenues not being available to the District on an annual basis to finance other services of the District; provided however, that in the event that the Series 2025 Bonds were not issued, the District would not be entitled to impose and collect the Series 2025 Assessments in the amount of the principal of and interest to be paid on the Series 2025 Bonds.

fifth (45th) day), an Authorized Officer of the District shall recalculate the Series 2025 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2025 Reserve Account (a) resulting from Prepayments of Series 2025 Assessments into the Series 2025 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2025 Bonds, (b) resulting from a reduction of the Series 2025 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2025 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(f) herein. The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest and redemption premium, if any, on such Series 2025 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments; Selection of Bonds for Redemption. (a) The Amortization Installments established for the Series 2025 Bonds shall be as set forth in the form of Series 2025 Bonds attached hereto.

(b) Upon any redemption of Series 2025 Bonds (other than Series 2025 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2025 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2025 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2025 Bonds of all of the maturities in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2025 Bonds.

Section 407. Tax Covenants. The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set forth as an

exhibit to the Arbitrage Certificate, as amended and supplemented from time to time in accordance with their terms.

Section 408. Series 2025 Revenue Account; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2025 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this Second Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account (i) Series 2025 Assessment Revenues other than Series 2025 Prepayments (which Series 2025 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2025 Prepayment Subaccount), (ii) Series 2025 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2025 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2025 Revenue Account to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2025 Capitalized Interest Account to the Series 2025 Interest Account the lesser of (x) the amount of interest coming due on the Series 2025 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2025 Interest Account, or (y) the amount remaining in the Series 2025 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or

November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2025 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2025 Capitalized Interest Account in accordance with this Section 408(d), if any, and (ii) the amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 20[___], and on each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement with respect to the Series 2025 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2025 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds, and then the balance shall be retained in the Series 2025 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Series 2025 Investment Obligations. Earnings on investments in the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2026, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be retained in the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2026, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2025 Reserve Account made pursuant to Section 405 hereof.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. Other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate. The District further covenants and agrees that so long as the Series 2025 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2025 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2025 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this Second Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this Second Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this Second Supplemental Indenture and to the Series 2025 Bonds issued hereunder.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Methodology,

and to levy the Series 2025 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due.

Section 704. Collection of Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2025 Assessments levied on platted lots and pledged hereunder to secure the Series 2025 Bonds shall be collected pursuant to the Uniform Method, and Series 2025 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2025 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2025 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2025 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2025 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 705. Owner Direction and Consent with Respect to Series 2025 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2025 Pledged Funds include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area Two Project or otherwise) without the written consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area Two Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area Two Project that will cause the expenditure of additional funds from the Series 2025 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 706. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2025 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

Section 707. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Section 708. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2025 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later

deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2025 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Series 2025 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2025 Bonds as to the Series 2025 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the resolutions of the District to happen, exist and be performed

precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

**CENTER LAKE RANCH WEST COMMUNITY DEVELOPMENT DISTRICT
(CITY OF ST. CLOUD, FLORIDA)
CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2025
(ASSESSMENT AREA TWO)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Center Lake Ranch West Community Development District (the "District") of its \$20,380,000* Capital Improvement Revenue Bonds, Series 2025 (Assessment Area Two) (the "Series 2025 Bonds").

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2025 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-18 of the City Council of the City of St. Cloud, Florida (the "City"), adopted on August 11, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District currently contains approximately 385.77 gross acres of land (the "District Lands") located entirely within the City in Osceola County, Florida (the "County") and is being developed into 1,161 residential units (the "Development"). The District Lands are being developed as a portion of a larger planned residential community under the name "Center Lake Ranch" (the "Master Development"), which is planned to contain approximately 3,940 units. As the remaining lots in Assessment Area Two are platted the Series 2025 Assessments will be assigned on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), is the land developer and homebuilder for the 394 units planned within Assessment Area Two. See "THE DEVELOPER" herein for more information. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

The Series 2025 Bonds are equally and ratably secured by the Series 2025 Trust Estate, without preference or priority of one Series 2025 Bond over another. The Series 2025 Pledged Revenues consist of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2025 Assessments (the "Series 2025 Pledged Revenues") and the Series 2025 Pledged Funds consist of all of the Funds and Accounts (except for the Series 2025 Rebate Account) established under the Second Supplemental Indenture (the "Series 2025 Pledged Funds") which together shall constitute the Series Trust Estate securing the Series 2025 Bonds (the "Series 2025 Trust Estate"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS."

Proceeds of the Series 2025 Bonds will be applied to: (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area Two Project (hereinafter defined), (ii) pay certain costs associated with the issuance of the Series 2025 Bonds, (iii) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (iv) pay a portion of the interest to become due on the Series 2025 Bonds. DESCRIPTION OF THE SERIES 2025 BONDS

General Description

The Series 2025 Bonds are being issued only in fully registered form, in denominations of \$5,000 and any integral multiple thereof; provided, however, if any initial Beneficial Owner does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such Beneficial Owner must either execute and deliver to the District and the Underwriter on the date of delivery of the Series 2025 Bonds an investor letter substantially in the form attached to the Second Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such Beneficial Owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended. The Series 2025 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds.

Each Series 2025 Bond shall be dated the date of initial delivery. Each Series 2025 Bond shall also bear its date of authentication. Each Series 2025 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication: (i) is an Interest Payment Date to which interest on such Series 2025 Bond has been paid, in which event such Series 2025 Bond shall bear interest from its date of authentication; or (ii) is prior to the first Interest Payment Date for the Series 2025 Bonds, in which event such Series 2025 Bond shall bear interest from its date. Interest on the Series 2025 Bonds shall be due and payable on each May 1 and November 1, commencing May 1, 2026 and shall be computed on the basis of a 360-day year of twelve 30-day months.

The Series 2025 Bonds shall be initially issued in the form of a separate single certificated fully registered Series 2025 Bond for each maturity thereof. Upon initial issuance, the ownership of each such Series 2025 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of The Depository Trust Company ("DTC"), the initial Bond Depository. Except as provided in the Second Supplemental Indenture, all of the Outstanding Series 2025 Bonds shall be registered in the registration books kept by the Registrar in the name of Cede & Co., as Nominee of DTC. See "DESCRIPTION OF THE SERIES 2025 BONDS - Book-Entry System" herein.

The Second Supplemental Indenture provides that, with respect to Series 2025 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any indirect Bond Participant.

U.S. Bank Trust Company, National Association is the Trustee, Registrar and Paying Agent for the Series 2025 Bonds.

As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the Second Supplemental Indenture, as the result of the redemption of Series 2025 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the Second Supplemental Indenture.

Extraordinary Mandatory Redemption

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of one hundred percent (100%) of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

- (i) on or after the Date of Completion of the Assessment Area Two Project, by application of moneys transferred from the Series 2025 Acquisition and Construction Account to the Series 2025 Prepayment Subaccount as provided for in the Indenture; or
- (ii) from amounts, including Series 2025 Prepayments, required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount; or
- (iii) from amounts transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount resulting from a reduction in the Series 2025 Reserve Account Requirement as provided for in the Indenture; or
- (iv) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of Redemption

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Purchase of Series 2025 Bonds

Subject to the provisions of the Indenture, the District may purchase the Series 2025 Bonds in the open market at a price no higher than the highest Redemption Price (including premium) for the Series 2025 Bond to be so purchased with any funds legally available therefor and any such Series 2025 Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of the Series 2025 Bonds as provided in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE."

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2025 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive

certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2025 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2025 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 PLEDGED REVENUES AND THE SERIES 2025 PLEDGED FUNDS PLEDGED TO THE SERIES 2025 BONDS, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

The Series 2025 Bonds are equally and ratably secured by the Series 2025 Trust Estate, without preference or priority of one Series 2025 Bond over another. The Series 2025 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2025 Assessments (the "Series 2025 Pledged Revenues") and the Funds and Accounts (except for the Series 2025 Rebate Account) established under the Second Supplemental Indenture (the "Series 2025 Pledged Funds") which shall constitute the Series Trust Estate securing the Series 2025 Bonds (the "Series 2025 Trust Estate"). The "Series 2025 Assessments" are the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series 2025 Assessment Proceedings. The Series 2025 Bonds will be secured by the Series 2025 Assessments levied on certain assessable land within Assessment Area Two within the District.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Assessments will constitute a lien against the land as to which the Series 2025 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2025 Assessments

The District will covenant in the Indenture to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Methodology (as defined herein), and to levy Series 2025 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds when due.

If any Series 2025 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole

discretion, make up the amount of such Series 2025 Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. See "BONDOWNERS' RISKS" herein. In case any such subsequent Series 2025 Assessment shall also be annulled, the District shall obtain and make other Series 2025 Assessments until a valid Series 2025 Assessment shall be made.

Prepayment of Series 2025 Assessments

Pursuant to the Series 2025 Assessment Proceedings, an owner of property subject to the Series 2025 Assessments may pay all at any time, or a portion up to two times, of the principal balance of such Series 2025 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Interest Payment Date for the Series 2025 Bonds, or, if prepaid during the forty-five (45) day period preceding such Interest Payment Date, on the second succeeding Interest Payment Date. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Assessments may pay the entire balance of the Series 2025 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area Two Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Two Project pursuant to Chapter 170.09, Florida Statutes. [The Developer, as the majority owner of the property within Assessment Area Two, will covenant to waive this right with respect to the property it owns in Assessment Area Two within the District in connection with the issuance of the Series 2025 Bonds pursuant to Declarations of Consent. Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on their successors in interest.] See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein. [previous declaration recorded?]

The Series 2025 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2025 Assessments by property owners. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

Limitation on Issuance of Additional Obligations

Pursuant to the Second Supplemental Indenture, other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate. The District will further covenant and agree that so long as the Series 2025 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2025 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2025 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners. "Substantially Absorbed" is defined in the Second Supplemental Indenture to mean the date on which the principal amount of the Series 2025 Assessments equaling seventy-five percent (75%) of the then Outstanding principal amount of the Series 2025 Bonds is levied on tax parcels within Assessment Area Two with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Assessments without the consent of the Owners of the Series

2025 Bonds. The District is expected to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Assessments, on the same lands upon which the Series 2025 Assessments are imposed, to fund the maintenance and operation of the District. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "BONDOWNERS' RISKS" herein.

Series 2025 Acquisition and Construction Account

Pursuant to the Second Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee a Series 2025 Acquisition and Construction Account. Amounts on deposit in the Series 2025 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area Two Project upon compliance with the requisition provisions set forth in the Master Indenture and in the form attached to the Second Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2025 Acquisition and Construction Account is for a Cost of the Assessment Area Two Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area Two Project, and any balance remaining in the Series 2025 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area Two Project which are required to be reserved in the Series 2025 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2025 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the Second Supplemental Indenture and in the manner prescribed in the form of Series 2025 Bond attached as an exhibit to the Second Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after both the Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 have been satisfied and moneys have been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of such satisfaction pursuant to the Second Supplemental Indenture. Such amounts deposited into the Series 2025 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 shall be paid to the Person or Persons designated in a requisition in the form attached to the Second Supplemental Indenture submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the Assessment Area Two Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 Prepayment Subaccount upon direction to the Trustee by the District. At such time as there are no amounts on deposit in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (i) the Series 2025 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area Two Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area Two Project and payment is for such work, and (iii) upon the occurrence of an Event of Default with respect to the Series

2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area Two Project that will cause the expenditure of additional funds from the Series 2025 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Series 2025 Reserve Account

The Second Supplemental Indenture establishes a Series 2025 Reserve Account within the Reserve Fund for the Series 2025 Bonds, which shall be held for the benefit of all of the Series 2025 Bonds, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another. The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. "Series 2025 Reserve Account Requirement" is defined in the Second Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #1 are met, at which time and thereafter, Series 2025 Reserve Account Requirement shall mean an amount equal to twenty-five percent (25%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #2 are met, at which time and thereafter, Series 2025 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2025 Bonds, the Series 2025 Reserve Account Requirement shall be \$_____.

"Reserve Account Release Conditions #1" shall mean, collectively, that (a) all lots subject to the Series 2025 Assessments have been developed and platted, and (b) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. The Consulting Engineer shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee affirming clause (b), on which certifications the Trustee may conclusively rely.

"Reserve Account Release Conditions #2" shall mean, collectively, that (a) all of the Reserve Account Release Conditions #1 have been satisfied, (b) all homes within Assessment Area Two have been built and have received a certificate of occupancy, (c) all of the principal portion of the Series 2025 Assessments has been assigned to such homes, (d) all Series 2025 Assessments are being collected pursuant to the Uniform Method, and (e) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred and affirming clause (e), on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Series 2025 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the Business

Day preceding such forty-fifth (45th) day), an Authorized Officer of the District recalculate the Series 2025 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2025 Reserve Account (a) resulting from Prepayments of Series 2025 Assessments into the Series 2025 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2025 Bonds, (b) resulting from a reduction of the Series 2025 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or Reserve Account Release Conditions #2 being met into the Series 2025 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the Second Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest and redemption premium, if any, on such Series 2025 Bonds to the earliest Redemption Date permitted therein and in the Second Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest Redemption Date permitted for redemption therein and in the Second Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the Second Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2025 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

The Trustee shall deposit into the Series 2025 Revenue Account (i) Series 2025 Assessment Revenues other than Series 2025 Prepayments (which Series 2025 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2025 Prepayment Subaccount), (ii) Series 2025 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2025 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2025 Revenue Account to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment

Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached to the Second Supplemental Indenture and the provisions of the Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2025 Capitalized Interest Account to the Series 2025 Interest Account the lesser of (x) the amount of interest coming due on the Series 2025 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2025 Interest Account, or (y) the amount remaining in the Series 2025 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2025 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2025 Capitalized Interest Account in accordance with Section 408(d) of the Second Supplemental Indenture and (ii) the amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 20[] and on each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement with respect to the Series 2025 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2025 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds, and then the balance shall be retained in the Series 2025 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Series 2025 Investment Obligations. Earnings on investments in the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2026, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be retained in the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through [May 1, 2026], and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2025 Reserve Account made pursuant to the Second Supplemental Indenture.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the Series 2025 Bonds were issued by the District, the Owners of the Series 2025 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District will agree that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2025 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2025 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(b) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding

or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(c) the District will agree that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2025 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District will acknowledge and agree in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2025 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Events of Default and Certain Remedies upon an Event of Default

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2025 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2025 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area Two Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2025 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds);
- (h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2025 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2025 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2025 Bonds then Outstanding and affected by such default; and
- (i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2025 Assessments are not paid by the date such are due and payable.

No Series of Bonds issued under the Master Indenture are subject to acceleration unless the Assessments securing such Bonds have been accelerated. Upon the happening and continuance of any Event of Default specified above with respect to the Series 2025 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2025 Bonds under State law, and under the Indenture and the Series 2025 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in the Master Indenture or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2025 Bonds then Outstanding shall, subject to the requirements of the Master Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be in conflict with any rule of law or the Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series 2025 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this paragraph.

No Owner of such Series 2025 Bonds shall have any right to pursue any other remedy under the Master Indenture or such Series 2025 Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Series 2025 Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the Master Indenture or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Series 2025 Bonds then Outstanding. The exercise of such rights is further subject to the provisions of the Master Indenture. No Owner or Owners of such Series 2025 Bonds shall have any right in any manner whatsoever to enforce any right under the Master Indenture, except in the manner provided in the Master Indenture.

The District will covenant and agree in the Master Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2025 Bonds. Notwithstanding anything to the contrary in the Master Indenture, and unless otherwise directed by the Majority Owners of the Series 2025 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of the Series 2025 Assessments imposed on certain lands in Assessment Area Two of the District that are specially benefited by the Assessment Area Two Project pursuant to the Series 2025 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Series 2025 Assessments must be done in compliance with the procedural requirements and guidelines provided by State law. Failure by the District, the Osceola County Tax Collector (the "Tax Collector") or the Osceola County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, the Series 2025 Assessments during any year. Such delays in the collection of the Series 2025 Assessments would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. For the Series 2025 Assessments to be valid, the Series 2025 Assessments must meet two requirements: (1) the benefit from the Assessment Area Two Project to the lands subject to the Series 2025 Assessments must exceed or equal the amount of the Series 2025 Assessments, and (2) the Series 2025 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Series 2025 Assessment Proceedings, the District may collect the Series 2025 Assessments through a variety of methods. See "BONDOWNERS' RISKS." The Series 2025 Assessments levied on platted lots are expected to be added to the County tax roll and collected pursuant to the Uniform Method. For unplatted lands (and platted lots for the initial tax year), the District is expected to directly issue annual bills to the landowners requiring payment of the Series 2025 Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY." The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay the Series 2025 Assessments and the ability to foreclose the lien of such Series 2025 Assessments upon the failure to pay such Series 2025 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Assessments. See " BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2025 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2025 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if

any, will be for an amount sufficient to pay amounts due under the Series 2025 Assessment Proceedings to discharge the lien of the Series 2025 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum

bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds,

and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns [most] of the assessable lands within Assessment Area Two, which are the lands that will be subject to the Series 2025 Assessments securing the Series 2025 Bonds. Payment of the Series 2025 Assessments is primarily dependent upon their timely payment by the Developer and the other landowners in Assessment Area Two. Non-payment of the Series 2025 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2025 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2025 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Assessments and the ability of the District to foreclose the lien of the Series 2025 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent "Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2025 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Assessments. The Series 2025 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or other landowners will be able to pay the Series 2025 Assessments or that they will pay such Series 2025 Assessments even though financially able to do so. Neither the Developer nor any other landowners have any personal obligation to pay the Series 2025 Assessments. Neither the Developer nor any other landowners are guarantors of payment of any Series 2025 Assessments, and the recourse for the failure of the Developer or any other landowner to pay the Series 2025 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Assessments may ultimately depend on the market value of the land subject to the Series 2025 Assessments. While the ability of the Developer and other landowners to pay the Series 2025 Assessments is a relevant factor, the willingness of the Developer and other landowners to pay the Series 2025 Assessments, which may also be affected by the value of the land subject to the Series 2025 Assessments, is also an important factor in the collection of Series 2025 Assessments. The failure of the Developer or any other landowners to pay the Series 2025 Assessments could render the District unable to collect delinquent Series 2025 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2025 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Two and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Two.

The value of the lands subject to the Series 2025 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area Two and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, changes in federal economic or trade policies, changes in impact or other fees, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Assessment, even though the landowner is not contesting the amount of the Series 2025 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no

assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within Assessment Area Two, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of moneys on deposit in the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Assessments is dependent on the amount, duration and frequency of such deficiencies, as well as the amount of money then on deposit in the Series 2025 Reserve Account, which is subject to release and recalculation based on parameters set forth in the Indenture. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Series 2025 Reserve Account" herein for more information about the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized

and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for

purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds.

Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

[The cost to finish the Assessment Area Two Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area Two Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area Two Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Limitation on Issuance of Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area Two Project regardless of the insufficiency of proceeds from the Series 2025 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation.

There are no assurances that the Assessment Area Two Project and any other remaining development work associated with Assessment Area Two will be completed. Further, even if development of Assessment Area Two is completed, there are no assurances that all of the planned homes will be constructed and sold within Assessment Area Two. See "THE DEVELOPER" herein for more information.]

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2025 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Assessments by the Developer or other owners of the property within Assessment Area Two. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Assessments" herein for more information.

Payment of Series 2025 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area Two of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District, which is the issuer of the Series 2025 Bonds, is a local unit of special purpose government of the State, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-18 of the City Council of the City of St. Cloud, Florida (the "City"), adopted on August 11, 2022 (the "Ordinance"). The District encompasses approximately 385.77 gross acres that are located within the City. The District is generally located south of Star Line Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Nora Schuster*	Chairperson	November 2028
Diana Cabrera**	Vice-Chairperson	November 2026
Robert Reynolds**	Assistant Secretary	November 2028
Susan Kane*	Assistant Secretary	November 2026
Andrea Fidler*	Assistant Secretary	November 2026

* Employee of, or affiliated with, the Developer.

** Employee of, or affiliated with, M/I Homes

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Poulos & Bennett, LLC, Orlando, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained Wrathell, Hunt & Associates, LLC, to serve as Methodology Consultant for the Series 2025 Bonds.

Outstanding Bond Indebtedness

The District previously issued its Capital Improvement Revenue Bonds, Series 2023 (Assessment Area One) (the "Series 2023 Bonds") on December 13, 2023, in the original aggregate principal amount of \$13,935,000, of which [\$_____] was outstanding as of [____], 2025. The Series 2023 Bonds are secured by the special assessments assigned to the lands within Assessment Area One of the District, which lands are separate and distinct from the lands within Assessment Area Two that are subject to the Series 2025 Assessments securing the Series 2025 Bonds.

The available net proceeds of the Series 2025 Bonds will finance construction and/or acquisition of portions of the Assessment Area Two Project from the Developer in the amount of approximately \$18.47 million*. The Developer will enter into a completion agreement at closing on the Series 2025 Bonds whereby it will agree to fund the completion of the Assessment Area Two Project. ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"), has prepared the [Master Special Assessment Methodology Report for Assessment Area Two dated _____, 2025] (the "Master Assessment Methodology"), as supplemented by the Preliminary [First Supplemental Special Assessment Methodology Report for Assessment Area Two] dated [_____, 2025], included herein as APPENDIX E (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2025 Assessments to be levied against the lands within the District benefited by the Assessment Area Two Project and collected by the District as a result thereof. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2025 Assessments are a first lien on the assessable lands within Assessment Area Two within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2025 Bonds are payable from and secured by a pledge of the Series 2025 Trust Estate, which consist primarily of the revenues received by the District from the Series 2025 Assessments levied on the assessed lands within Assessment Area Two. The Series 2025 Assessments will initially be levied on the approximately [] platted lots and the approximately [] acres of land which comprise Assessment Area Two. As the remaining lots are platted the Series 2025 Assessments will be assigned on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information. Upon platting of all of Assessment Area Two, the Series 2025 Assessments levied and allocated to platted units to pay Debt Service on the Series 2025 Bonds and the Series 2025 Bond par per unit are expected to be as follows:

<u>Product Type</u>	<u>No. of Units</u>	<u>Series 2025 Assessments Per Unit*</u>	<u>Series 2025 Bonds Par Debt Per Unit*</u>
Production 40'	73	\$2,886	\$40,000
Production 50'	127	\$3,608	\$50,000
Production 60'	68	\$4,330	\$60,000
Active Adult 50'	53	\$3,608	\$50,000
Active Adult 60'	<u>73</u>	<u>\$4,330</u>	<u>\$60,000</u>
Total	394		

* Preliminary, subject to change. Series 2025 Assessment levels shown above will be grossed up to include early payment discounts and County collection fees. It is expected that the Developer will prepay a portion of the Series 2025 Assessments at closing with homebuyers in order to achieve target annual assessment levels of \$1,280 per 40' lot, \$1,600 per 50' lot, and \$1,920 per 60' lot. The total expected prepayment to achieve such target assessment levels is approximately \$11,340,000.

The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to average approximately [\$108] per residential unit annually, but such amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The City, the County and the School Board each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2025 was approximately [] mills. These taxes will be payable in addition to the Series 2025 Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied

by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed homeowners associations' assessments.

[any outstanding permits?]

* Preliminary, subject to change.

The District Lands are part of an approved future land use designation of Mixed Use Development and an approved Mixed Use District Conceptual Master Plan. All major permits and approvals for the development of Assessment Area Two have been received. The District Engineer has certified that all permits and approvals for Assessment Area Two by jurisdictional agencies to allow for the development contemplated herein have been received or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: SUPPLEMENTAL ENGINEER'S REPORT" hereto.

[update status] Pursuant to the City's land development code and a Tri-Party Development Agreement by and among the County, City and the Master Developer, both Center Lake Ranch Boulevard and Twelve Oaks Road have to be completed and transferred to the County pursuant to deed or plat as a condition precedent to the issuance of any certificates of occupancy for homes in the District. The District has temporary construction easements to complete the construction of such roads owned by the Master Developer and both roadway projects (roads and stormwater) are subject to payment and performance bonds in favor of the County pursuant to the County's land development code. The City, TOHO Water Authority, and the County have issued all offsite permits for construction of Center Lake Ranch Boulevard, Twelve Oaks Road, the master utilities, and the stormwater management infrastructure along these roads.

Additional offsite improvements need to be completed pursuant to the development approvals and agreements associated with Center Lake Ranch; however, such offsite improvements are included in the District's Capital Improvement Plan. All required permits associated with such improvements have either been received or are reasonably expected to be received in the ordinary course.

Environmental

Multiple Phase I Environmental Site Assessments were performed on the District Lands, including Assessment Area Two, over a period from February 2021 through July 2023 (collectively, the "Phase I ESA"). The Phase 1 ESA identified one historically recognized environmental condition in Assessment Area Two. The property historically maintained one 1,000 gallon above ground storage ("AST") tank containing vehicular diesel. A discharge was reported in May 2003 when the AST was being removed. The cleanup was complete by 2008 and a site rehabilitation completion order was issued by the Florida Department of Environmental Protection. Based on the completed clean up status, the site does not appear as a recognized environmental condition at this time; however, it is considered a historical recognized environmental condition. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information.

Amenities

The amenity plan for the District consists of three amenities – two serving the planned production units and one serving the active adult Esplanade community exclusively. The amenities will be constructed in phases. The District will not fund the amenities described herein.

* Preliminary, subject to change. Series 2025 Assessment levels shown above will be grossed up to include early payment discounts and County collection fees. It is expected that the Developer will prepay a portion of the Series 2025 Assessments at closing with homebuyers in order to achieve target annual assessment levels of \$1,280 per 40' lot, \$1,600 per 50' lot, and \$1,920 per 60' lot. The total expected prepayment to achieve such target assessment levels is approximately \$11,340,000.

The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to average approximately \$[108] per residential unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to range from [\$756 to \$4,092] per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The City, the County and the School Board each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in [2024] was approximately [] mills. These taxes will be payable in addition to the Series 2025 Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes

and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Public Schools

School age residents in the Development are expected to attend Narcoossee Elementary School, Narcoossee Middle School and Harmony High School, which are located approximately 4.5 miles, 4.5 miles and 8 miles away from the Development, respectively, and received grades of B, A, and A, respectively from the State in 2025. The Osceola County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is expected to compete with projects in the northern portion of the County market generally, which include [Del Webb Sunbridge, Live Oak Lake, Split Oak Reserve, and Wiregrass]. [add/remove any?] The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Developer Agreements

[The Developer will enter into a completion agreement at closing on the Series 2025 Bonds whereby it will agree to fund the completion of the Assessment Area Two Project. In addition, the Developer will execute and deliver to the District Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment") for Assessment Area Two, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area Two Project. That said, the Developer has previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of the Series 2023 Bonds, and such rights under such Prior Collateral Assignments are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, any mortgagees may have certain development rights and other rights assigned to it under the terms of their mortgage which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2025 Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, will not have all permits and entitlements necessary to complete the Assessment Area Two Project or the development of Assessment Area Two. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Two increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein for additional information regarding the "true-up mechanism." See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.]

THE DEVELOPER

Taylor Morrison of Florida, Inc., a Florida corporation ("Taylor Morrison of Florida" or the "TM Developer"), which is a wholly-owned affiliate of Taylor Morrison Home Corporation, a Delaware corporation ("Taylor Morrison") is the land developer and homebuilder for the 394 units planned within Assessment Area Two. [any landbank?]

Taylor Morrison's principal business is residential homebuilding throughout the United States, with operations focused in Arizona, California, Colorado, Florida and Texas. Taylor Morrison's common shares trade on the New York Stock Exchange under the symbol THMC. Taylor Morrison is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Taylor Morrison is No. 0001-562476. Such reports, proxy statements, and other information are available at the SEC's internet website at <http://www.sec.gov>. All documents subsequently filed by Taylor Morrison pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Series 2025 Bonds or the Series 2025 Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2025 Bonds.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2025 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2025 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2025 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2025 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2025 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2025 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2025 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2025 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2025 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should be aware that the ownership of the Series 2025 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2025 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2025 Bonds, (2) the branch profits tax, and (3)

the inclusion of interest on the Series 2025 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2025 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2025 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2025 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2025 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2025 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2025 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2025 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2025 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2025 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the

IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Original Issue Discount

Certain of the Series 2025 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2025 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any

agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of State law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2025 Assessment Proceedings.

The Developer

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the lands in Assessment Area Two or to complete the Assessment Area Two Project as described herein, or materially and adversely affect the

ability of the Developer to pay the Series 2025 Assessments imposed against the land within Assessment Area Two owned by the Developer.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Trust Estate.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including

bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Series 2023 Bonds. [A review of filings made pursuant to such prior undertaking indicates that the District has not materially failed to comply with its requirements thereunder within the last five years.][review in process] The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Developer has previously entered into continuing disclosure undertakings pursuant to the Rule in connection with the District's Series 2023 Bonds and other special districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Developer were not timely filed and that notice of such late filings was not always provided. The Developer anticipate satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

UNDERWRITING

(the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2025 Bonds [plus/less net original issue premium discount of \$_____ and] less an Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any are purchased.

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Kutak Rock LLP, Tallahassee, Florida, for the Developer by its counsel, Nelson Mullins Riley & Scarborough LLP, Orlando, Florida, and for the Underwriter by its counsel, GrayRobinson, P.A., Tampa, Florida.
